 - Email completed form to COVID19travel@bahamas.gov.bs with a cc to reservations@bahamasmarinas.com more than 5 working days of departure date.
- **Customs & Immigration Forms** – fill out and print prior to arrival
 - Bahamas Customs Clearance Form <https://bahamasmarinas.com/wp-content/themes/marina/pdf/bahamas-customs-vessels-cruising-permit-c2a-entry-form.pdf>
 - Bahamas Immigration Form <https://bahamasmarinas.com/wp-content/themes/marina/pdf/immigrationform.pdf>
 - Maritime Declaration of Health <https://bahamasmarinas.com/wp-content/uploads/2020/06/Bahamas-Custom-Clearance-Forms.pdf>
 - All forms can be found on <https://bahamasmarinas.com/enteringexiting-policies/>
- Boaters who plan to travel to more than one island within The Bahamas must also fill out **Domestic Health Travel Card** <https://bahamasmarinas.com/wp-content/uploads/2020/06/Domestic-TravelCard.pdf> (we suggest printing out additional blank copies as well).
- Have copies of ALL forms and negative test results to present to Customs & Immigration upon arrival
- Marinas must be informed at least 48 hours prior to vessel's arrival.

Boaters Requirements once in The Bahamas

- On arrival (having cleared at local ports of entry), anyone disembarking at a marina will be subject to any other screening mandated by Ministry of Health, such as taking of temperature.
- While clearing Customs & Immigration, crew and passengers are required to wear a mask, covering the nose and mouth.

- Do not shake used or unused clothing, sheets, or cloth items on the docks or anywhere in the marina.
- No rafting of vessels.
- Fish cleaning stations limited to one person at a time.

Marina Facilities:

- Hand sanitizing dispensers will be placed in restrooms and at an easily accessible location in the office area.
- Frequently touched surfaces (e.g. doorknobs, handles, etc.) in offices and common areas will be wiped with a disinfecting agent at the start of the workday and in the afternoon.
- Main office doors will be kept locked and managed to admit only those wearing masks and gloves.
- Amenities like gym and exercise rooms, dining areas, laundry rooms, pool areas and other facilities must operate under strict observance of the Government's guidelines for publicly occupied spaces.
- Provisioning – each marina will provide boaters with list of stores and restaurants that will deliver to the marina.

Marina Personnel:

- All marina personnel will wear masks, covering the mouth and nose.
- Marina personnel will be tested fortnightly at an approved health facility.
- Fuel Attendants will wear masks and gloves and may hand customers the fuel dispenser nozzle but should remain ashore. Customers are to remain onboard the vessel.
- Office personnel will always wear masks and observe regular hand washing regimen.
- Staff will maintain at least two metres /six feet distance between each other and guests.
- Staff will isolate anyone who is coughing or sneezing until appropriate tests can be performed.

Please note: no international commercial flights will be available until July 1, 2020. Private aviation is permitted starting June 15, 2020.

Requirements are part of [Tourism Readiness & Recovery Plan](#) from the Government of The Commonwealth of The Bahamas
